

ISSUE 39 is for

Educational

NECESSITIES

Midview provides an “Excellent” education, and spends less per student than nearly every other school district in the county. In fact, the **Midview Schools cut more than \$1 million in the past year.**

**ISSUE 39 MAKES
UP THE FUNDING
GAP CAUSED BY
INCREASING COSTS
AND FLAT PROPERTY
TAXES WITH A 2.5
MILL PERMANENT
IMPROVEMENT LEVY.**

*By law, Issue 39 can only
be used for educational
investments like:*

- up-to-date textbooks
- modern classroom technology
- maintained facilities
- safe student transportation

Without Issue 39,

**\$1 million MORE in cuts
will have to be made.**

**The Midview Schools will have to consider
cuts that will hurt student progress by:**

- **Eliminating** quality teachers and tutors
- **Postponing** bringing technology into classrooms
- **Not replacing** out-of-date text books

**WITHOUT ISSUE 39, OUR SCHOOLS'
PROGRESS IS AT RISK. THESE CUTS
WILL DEVASTATE OUR CLASSROOMS
AND HURT OUR COMMUNITY.**

Vote for Issue 39
on November 4th to Keep
Educational Necessities.
