Tues., November 4: Vote FOR Issue 39

- While our students are accomplishing great things in and out of the classroom, our district is facing difficult struggles financially that threaten to hurt the quality of education.
- The district has been fiscally responsible and has cut more than one million dollars over the past two years, and Midview has one of the lowest costs per pupil in the county.
- The Midview Schools are asking voters to approve a 2.5 permanent improvement issue that will stave off difficult cuts and allow us to keep the programs, teachers and technology our kids need to succeed.
- Without more funds, the district will need to cut an additional million dollars from the already bare bones budget.
- **What's at stake:**
 - Teachers
 - Programs like tutoring that help students who are struggling
 - Technology
 - Not replacing text books that are more than 15 years old
- Those cuts would devastate our schools and would impact our community.
- We are asking for the minimum amount needed this November. The Midview Schools have made real progress and this issue keeps us from sliding backwards. We need your support on November 4th.

Please return this form to the Midview Board Office at 1010 Vivian Drive, Grafton, OH 44044
